

### Sustainability Checklist – Clean Air Actions

Item	In use now? Yes/Don't know/ Not measured	Use Instead	Done?
Stop aerosols		alcohol/essential oils with sticks, electric powered diffusers (natural essential oils)	
Clean air outside		Outdoor plants and trees – plant plenty	
		Stop cars idling	
		Reduce delivery frequency	
		Reduce waste collection frequency	
Clean air inside		Indoor plants – website check for non-toxic plants that clean air	
		Natural products rather than chemicals to clean	
		Steamer	
White goods		Buy best quality, A++, opt to return to manufacturer if on offer, check repairability, No CFCs	
Toxic and new paint		Low VOC, re-engineered paint	
Chipboard		Ensure it hasn't been made with formaldehyde, replace with solid wood (sustainably sourced)
